# HISTORY OF THE DUROC-JERSEY SWINE

It seems to be well authenticated that the exact origin or early history of the Red Hog, now recorded as Duroc-Jerseys, is not positively known. Many are of the opinion that they are purely American bred, while we have gathered much information pointing toward stock that was imported at an early date, of which we will make mention later on in this work.

It is a fact now generally conceded by all who are interested in this popular breed of swine, that there were two families of them, some years ago, one known as Jersey Reds and the other as Durocs.

## JERSEY REDS.

The name Jersey Reds was probably given to this family by Joseph B. Lyman, about thirty-eight years ago, who at that time resided in New Jersey, and was the Agricultural Editor of the New York Tribune. Previous to this period they had been called Red Hogs. Mr. Lippincott, of New Jersey, was the first person to advertise these hogs as Jersey Reds.

We find in Clark Petit's History of Jersey Reds, that in the year of 1882, there was a pair of Red Pigs shipped from Spain to Salem, New Jersey, and he says "that their unique color at once rendered them objects of special interest in a locality long noted for successful swine breeders and feeders, among whom had long existed a great spirit of rivalry, as to whom should annually win the honor of raising the best lot of hogs, making the greatest average weight at different ages, for which leading Philadelphia butchers paid advanced price." It was soon noticed that the offspring of the Reds universally proved to be quick, profitable feeders almost invariably outweighing those of other breeds at like ages. Much of the superiority undoubtedly arose from their pre-eminent constitutional vigor and consequent capacity to properly assimilate their food.

The hogs bred in New Jersey attained great size, as will appear from the following weights made at different ages:

| | | | | |
|---|---|---|---|---|
| 30 hogs, | 22 months old, | averaged | ....686 | pounds, dressed. |
| 18 hogs, | 22 months old, | averaged | ....734 | pounds, dressed. |
| 23 hogs, | 20 months old, | averaged | ....639½ | pounds, dressed. |
| 34 hogs, | 17 months old, | averaged | ....565 | pounds, dressed. |
| 51 hogs, | 17 months old, | averaged | ....520 | pounds, dressed. |
| 17 hogs, | months old, | averaged | ....862 | pounds, dressed. |
| 20 hogs, | ..... | averaged | ....862 | pounds, dressed. |
| 20 hogs, | ..... | averaged | ....882 | pounds, dressed. |
| 25 pigs, | 8 months old, | averaged | ....413 | pounds, dressed. |
| 16 pigs, | 7 months old, | averaged | ....278 | pounds, dressed. |
| 20 pigs, | 6½ months old, | averaged | ....280 | pounds, dressed. |

This list could be much extended, but we deem this sufficient to show an idea of the size the Jersey Reds attained and the feeding qualities they possessed.

Twenty-four years ago, old men in Burlington and adjoining counties, New Jersey, could not remember a time when there were not Red Pigs, neither could

B4343

they tell where they came from. Mr. Brown, of Windsor, N. J., said he had seen them bred with uniformity of great size fifty years ago.

## DUROCS.

In giving the history of this family of Red Hogs, we have no better authority than is given in Vol. 1 of our records and which is substantially as follows:

The Duroc family of Red Hogs were so called by Isaac Frink, a prominent farmer living in the town of Milton, Saratoga County, N. Y. In the spring of 1832, Mr. Frink took a mare to the noted stallion, Duroc, then owned by Harry Kelsey, in the town of Florida, Montgomery County, N. Y., about 25 miles away. There he saw a litter of ten Red Pigs, the production of a pair of Red Pigs brought the year before by Mr. Kelsey, from Oyster Bay, Queens County, N. Y., or imported by him from England. He moved from Oyster Bay to Florida. In regard to the importation of the pigs, the history is not authentic, although Mr. Kelsey told Mr. Frink that they were imported, but the term imported may have been improperly used, as is often the case, even at this late date.

In searching history we find that the produce of these pigs was much sought after, and assumed the name after Mr. Kelsey's famous horse, "Duroc." They spread all through the New England States, and became very popular on account of their great qualities, which we shall hereafter discuss.

In 1830, Wm. Ensign, of Wilbur's Basin, in the town of Stillwater, Saratoga County, N. Y., brought a pair of Red Pigs from Connecticut and the next year he got a few more from the same place. He bred and sold them far and near. Saratoga County was a lively "pork district" in those days, and great interest was taken in the breeding of hogs. The Frink and Ensign families of Red Hogs were crossed and the breed established. They have been bred ever since, with more or less care and effort at keeping them thoroughbred, but no fixed type or standard was followed (except individual ones). These hogs, according to what information we can gather, possessed most of the characteristics of the Jersey Red family, except they were not so large and were rather finer boned, and no doubt were quite profitable feeders and producers of pork.

Ex-President Thos. Bennett, of Rossville, Ill., furnishes us with some reliable evidence, which comes through a correspondence with the Hon. Cassius M. Clay, of White Hall, Ky. The honorable gentleman says: "The Spanish Red Hogs were imported by Hon. James B. Clay, from Spain or Portugal, when minister to Lisbon, under Zachary Taylor in 1850. He gave me a pair of pigs the progeny of which I widely distributed, they being such very fine hogs, easily fattened, and the best hog known at that time. Being such noted hogs, it is no wonder they found their way to New York, New Jersey and all eastern and southeastern states."

It is not saying too much when we (the Red Hog breeders) say that they were the foundation stock of that most popular breed of swine, "Poland-Chinas." The Hon. L. N. Bonham, in one of his histories of said breed, in searching to find out how they came to be named "Poland-Chinas,' says that "there was an old Polander who had a herd of very fine hogs, said hogs were the produce from a China sow and a Jersey Red boar. So admired were they, and so noted did they become, that they were named after the breeder (Polander), and the sow (China), hence the name Poland-China. It is a fact that the Poland-Chinas, years ago, had red or sandy spots on them, and not very small ones either, and even at the present time some of the best pedigreed Chinas breed sandy spots." Mr. Bennett says: "In the fall of 1889, I went to see one of the best herd of Poland-Chinas in Illinois, and there

saw a boar good enough for anyone. He was bred in Ohio and bought at a big price. As I was looking him over, the proprietor said: 'There is only one fault with that hog.' 'What is that?' I asked, and in reply he said: 'Some of his pigs have sandy spots on them.' This is no doubt due to the fact that, after years of careful breeding, the old characteristics will continue to crop out."

The general appearance of Duroc-Jersey swine has been greatly improved of recent years, but in accomplishing this improvement we have not sacrificed any of the characteristics which made our breed so popular. We still think they are the most prolific of all breeds, which statement is substantiated by a report from one of the leading Experiment stations for 1912 when their 13 Duroc-Jersey sows farrowed 132 pigs and raised 101, their 12 Berkshire sows farrowed 103 pigs, raising 82, and 6 Poland-China sows farrowed 43 pigs and raised 29. We think it is safe to estimate that the Duroc-Jersey litters will average 10 pigs.

The pigs are strong at birth, and the sows and pigs very seldom need any attention at that time. They almost invariably impart to their offspring their wonderful prolific breeding qualities, are good quiet mothers, supplied with a generous flow of milk, raise large even litters, and other breeds when crossed with them are greatly improved in vigor as breeders and feeders.

Below we give some extracts from a test at the Experiment Station, of the Agricultural College at Michigan.

The breeds represented were the Duroc-Jersey, the Berkshire and the Poland-China, two of each and all barrows.

The pigs were weighed every fourteen days during the experiment and the gains or losses noted and compared with the food for the period, viz.: from July 16, 1889, to January 31, 1890—168 days.

It was seen that the two Duroc-Jerseys gained in weight from the beginning. Though as fleshy as any specimens, they were still making excellent gains and were feeding well at time of slaughter. Their average gain was 36.25 pounds per period, or 2.59 pounds per days, secured at a cost of 4.65 pounds of grain for each pound of gain in live weight.

The average gain made by the two Berkshires was 29.16 pounds per period, or 2.11 pounds per day secured at a cost of 5.22 pounds of feed for each pound of gain.

The average gain per period of the Poland-Chinas was 25.91 or 1.85 pounds per day, secured at cost of 5.87 pounds of feed for one pound of gain.

The meat of the different breeds was cooked and tested, and it was the unanimous opinion of those who ate of the meat that that from the pigs making the best gains at the time of slaughter was the most tender and juicy, the sweetest and best. This was the pork of the Duroc-Jersey.

In competition with other breeds in the show ring in a very large majority of cases, the Duroc has come off the winner. Notably at the Illinois State Fair, twice within the past three years a pair of Durocs has won the premium offered by a well-known wagon company, all breeds being in the contest.

At the nearest calculation 75 per cent of the hogs reaching the principal hog centers the "red-blood," that is, are Durocs or Duroc blood predominates.

More than 75 per cent of the public swine sales are of Durocs, which shows the spirit of enterprise that is backing up the breed.

No breed of swine has been brought to its present perfection, in so short a time as the Duroc, and no hog is as popular with the breeder, the feeder or the packer as is the Red Hog.

Do you want the kind that grows right and sells right? Then breed the Durocs.

MINUTES OF THE 1912 ANNUAL MEETING

OF THE

# NATIONAL DUROC-JERSEY RECORD ASSOCIATION

Chicago, Ill., Dec. 3rd, 1912

The Annual Meeting of the stockholders of The National Duroc Jersey Record Association was called to order by President Baxter at 7:00 P. M. at the Kaiserhof Hotel, Chicago, Ill., Dec. 3, 1912.

The Secretary read the call of the meeting at the order of the President, which is as follows:—

### Notice of Annual Meeting.

Peoria, Ill., Nov. 1, 1912

To Stockholders of The National Duroc Jersey Record Association:

The regular Annual Meeting of the above Corporation will be held on Tuesday evening, December 3rd, 1912, at 7:00 P. M. at the Kaiserhof Hotel, 320 Clark St., Chicago, Ill.

Ed. A. Baxter, President.

J. R. Pfander, Secretary.

The President then called for the report of the Credential Committee, which Committee had been appointed by the President and was approved by the stockholders in this meeting, following is their report:—

### Report of Credential Committee.

Chicago, Ill., Dec. 3, 1912.

To The Members of The National Duroc-Jersey Record Association:

Gentlemen:—

Your Committee appointed on credentials have examined all the proxies sent to the Secretary, and find the following number of proxies from the different States, as stated. We have examined these proxies and checked them with the stockholders list, and found that each one is a member of the Association and entitled to a vote.

On motion by H. E. Browning and duly seconded by R. J. Harding, the report was accepted by the unanimous vote of the Capital stock represented.

On motion by H. E. Browning and duly seconded by E. Z. Russell, the reading of minutes of the 1911 Annual Meeting were dispensed with, and stand as printed in Volume 41 of the records of this Association, was carried by unanimous vote of the Capital stock represented.

The President then read his annual address which is as follows:

### President's Address.

Brother Stockholders of the National Duroc-Jersey Record Association:

In assuring you that I appreciated the honor you conferred on me in your stockholder's meeting in December 1911 by electing me your President of the National Duroc-Jersey Record Association, the largest record of recorded Swine in the world, I wish to say that as I have been breeding Durocs for almost thirty (30) years, that I have an interest in each one of you personally for your success in the breeding of this great breed of Swine, and in the present condition of our breed and Association, and in the future of our Breed.

One year ago we were presented with the proposition of accepting the report of the Committee, appointed to revise our Articles of Incorporation and By-laws. The stockholders at their 1911 meeting accepted the report and instructed the Board of Directors to make such minor changes in the report as was necessary to conform with the Laws of Illinois. This was done, and the articles of Incorporation and By-laws as accepted by the Board, are printed in full in Volume 41. If any of you members failed to receive this volume the Secretary will be glad to furnish you with same.

In order to carry out the instructions of the stockholders at their 1911 meeting in the revision of the Articles of Incorporation and By-laws, and increase in capital stock it was necessary to call a special meeting of the stock holders, and you will remember that we were required by law to have represented in person or by proxy two-thirds of the stock of the Association, and I

wish to take this opportunity to thank the stockholders in the name of the officers of this Association for the manner in which you responded to this call, which made it possible for us to carry out in full the instructions of the stockholders, as we understood them.

At the June meeting of the Board of Directors, the Board, as you all know, passed a resolution requiring all members to send to the Secretary 25c, for each volume published. This is a matter that has been under consideration of your Board for some time. We have known that a large number of books that we have been sending to our members are not used by them, and the Board has at different times considered the best method to pursue to liminate this needless expense, both in the printing bill and postage, which has amounted to as much as $11,000.00 in a single year. We hope to make a saving of from $3,000.00 to $5,000.00 a year by making this change.

Since this order was passed, we have received a large number of letters from our members, and almost universally these letters have been in commendation of our action. Some of these letters, however, have objected to our action in this matter. Some of them have suggested the idea that we make a list of the members who are recording hogs and send to these parties the books free. We have investigated this to some extent, and find that a number of our members who do recording right along do not care for the volumes, hence this method would not be a good one to pursue in getting a list of our members who actually want the volumes. You will remember that when the first notice of the special meeting to be held in June was sent from the office in January, you were notified in that notice that if we did not receive notice from you that you wanted these volumes that you would no longer receive them. From that notice we received about 1,600 replies. In April we sent a second notice to those who did not reply to the first notice. The second notice brought about 1,000 replies. When your Board found that more than 1,300 of our members would not do the simple thing of just signing a self-addressed stamped card, and return to us, and get the volumes, it was evident to us that something must be done. We found that lots of our members had quit the business, some have died, some moved away, etc. Serious consideration was given to this matter and the action taken was our conclusion.

This charge of 25c is a small one, and it is not asked with a view of materially helping our finances from this fee. The big saving we make is in the printing and postage bill, as we have already stated, and we want to make this point plain, for we feel sure that none of our members will make objections to this method, just to save 25c.

We want to assure the members that we have carefully considered all these matters, and from every point of view, and permit us to say in this connection, the action taken was in our opinion for the best interest of the Association. We also want to say that the action taken was by unanimous vote of the Board.

For the past two years, we have been offering good liberal Premiums at the various State Fairs. We believe that this has been very beneficial to our breed and believe that this should be continued.

Your Board has considered the matter of having a classification at our State Fairs for fat barrows and believe that such classification would be of benefit to both the hog business and to our Breed. We would recommend to our incoming Board that this matter be taken up with the various State Fairs,

and try to get a classification of this kind, and that in case they see fit to do this, we would co-operate with them in the way of money premiums.

In a large part of the hog belt of the United States hog diseases have made heavy inroads to many of our herds. This is regretted by us all, and will undoubtedly have a tendency to stimulate prices by which we may be able to get some of this money back.

In conclusion we want to say that we believe that there was never a more opportune time in which to engage in the breeding and raising of pure-bred hogs. During the past year, as shown by the reports of your officers, we have had a prosperous year. Your President has had the hearty co-operation of all the Members of the Board of Directors, and it has been a pleasure to serve with them.

Respectfully yours,

Ed. A. Baxter, President.

On motion by R. J. Harding and duly seconded by H. E. Browning, the report of the President was accepted by unanimous vote of the Capital stock represented.

The Secretary then read his report, which is as follows:

It is not possible to show by the regular reports of the net results of the year's work, so will add the following statement to show the exact condition of the resources of the Association.

Our Treasurers' statement at this time shows that if all outstanding warrants were paid, we would have on hand $26,490.52.

Volume 42 is now printed and will be ready to mail in a few days, the amount of the unpaid printing bill for this volume is approximately $1,800.00 for postage on this volume $250. We have received and have been paid for 3,604 pedigrees for volume 43, which will cost to print and mail approximately $500, making a total liability on volume business of $2,550.

Taking the amount as shown on hand by the Treasurer adding thereto the amount of the inventory, as shown by the report of the Executive Committee, and the earned and unpaid interest on farm loans, amounting to $442.94, makes a total of all resources $29,202.96, deduct from this our liabilities, as shown above of $2,550, would leave our net worth $26,652.96.

During the year we sold, as shown by my report, 364 shares of stock, for which we received $3,640.00, of these 364 shares, 39 of them were reissued, that is to say that they were shares that were sent in by members of the Association, and sold to other parties, the Association acting only as an agent in the transaction . The money, however, passed through our hands, and is shown in our statement, consequently we received for new shares issued, but $3,250. By deducting this amount from our net worth we have the amount by which we can base our profit or loss of the year.

This amount will be $23,402.96. In your Secretary's report of last year, showed our net worth to be $21,821.97, this shows a profit of the year's business of $1,580.99, so in summing up, we have now on hand this amount, plus the net amount for capital stock, or $4,830.99 in property more than we had Dec. 1, 1911.

Thanking you for all courtesies shown me, I am,

Yours truly,

J. P. Pfander, Secretary.

On motion of R. J. Evans, and duly seconded by H. E. Browning the report of the Secretary was accepted by the unanimous vote of the capital stock represented.

The Treasurer then read his report, which is as follows:

### Treasurer's Report.

Peoria, Ill., Nov. 30, 1912.

To The Officers and Members of the National Duroc-Jersey Record Association:

Gentlemen:

Your Treasurer would make the following reports of the handling of your funds for the year of December 1, 1911, to December 1, 1912:

| | | |
|---|---|---|
| Balance, Dec. 1, 1911, | | $25,863.15 |
| Rec'd from Secy. during year of Dec. 1, 1911 to Nov. 30, 1912 | | 20,367.81 |
| Interest on Hughes Loan | | 210.00 |
| Interest on Gloede Loan, | | 30.00 |
| Interest on Maher Loan, | | 120.00 |
| Interest on McCann Loan, | | 300.00 |
| Interest on Moran Loan, | | 300.00 |
| Interest on Daily Balances, | | 15.15 |
| | | $47,206.11 |
| Warrants Paid | | 20,076.51 |
| | | $27,129.60 |

The above amount is deposited and invested as follows:

| | |
|---|---|
| In Citizen's State Bank, Blair, Neb., | $ 3,146.16 |
| Check from Secy. for Nov. 1912 receipts, | 1,983.44 |
| In Farm Loans, | 22,000.00 |
| | $27,129.60 |

Since the last annual meeting, we have made a loan to Jesse Ryan & Wife Herman, Neb., of $5,000.00, bearing 5½ per cent interest, on the S. ½ N. E. ¼ and the S. E. ¼ of Sec. 1-19-10 East 6 P. M. Washington County, Neb., dated Jan. 2, 1912 and due Jan. 2, 1917.

At this date there is earned and unpaid, but not due, interest on loans amounting to $442.94.

Respectfully submitted,

E. Z. Russell.

On motion of R. Widle and duly seconded by R. J. Harding, the report of the Treasurer was accepted by the unanimous vote of the capital stock represented.

The report of the Executive Committee was read and is as follows:

### Report of Executive Committee.

Peoria, Ill., Dec. 2nd, 1912.

To The Members of the National Duroc-Jersey Record Association:

Gentlemen:—

The undersigned members of the Executive Committee of your Board of Directors, would report that we have examined the books and record of the Secretary and Treasurer, from Dec. 1, 1911, to Dec. 1, 1912, and find that they agree as follows:—

We find that the Secretary received from all sources $20,367.81, which amount has been turned over to the Treasurer as shown by his statement. During the year the Secretary has drawn warrants for all purposes, to the amount of $17,474.21, of this amount we find that warrants to the amount of $639.08 have been drawn and not as yet presented to the Treasurer for payment.

We find that Dec. 1, 1911, the Treasurer had on hand $25,863.15, adding to this the receipts as shown by the Secretary, $20,367.81 and $960.00 interest on Farm loans held by the Association, and $15.15 interest on deposits and deducting warrants paid, amounting to $20,076.51 the balance now with the Treasurer, Dec. 1, 1912, is $27,129.60. This amount agrees with the books of the Treasurer and is accounted for as follows:

| | |
|---|---|
| On Deposit in the Citizens State Bank, Blair, Neb., .. | $ 3,146.16 |
| Amount invested in farm loans, ..... | 22,000.00 |
| Check of the Secretary for Nov., 1912, business not at this time to the credit of the Assoc. in the bank, .. | 1,983.44 |
| Making a total of ..... | $27,129.60 |

Peoria, Ill., Nov. 27, 1912.

J. R. Pfander, Secretary,
National Duroc-Jersey Record Association,

Dear Sir:—

We will print and bind the Record Book of your Association in accordance with your specifications at the following prices:

1,000 copies complete $1.75 per page.

Additional copies, lots of 50, 3c per page additional.

We hope after careful consideration you will decide to enter into contract with us.

Respectfully yours,
J. W. FRANKS & SONS.

Peoria, Ill., Nov. 30, 1912.

National Duroc-Jersey Record Association,
Peoria, Ill.

Gentlemen:—

We will print and bind you 1,000 copies record volumes, each book to contain approximately 800 to 900 pages for one dollar and sixty-five cents per page, ($1.65). Additional 50 copies two and one-half cents per page additional.

We have figured on the same general style volume as sample submitted, and can guarantee you good first class work in every particular, and delivery when stated.

Yours truly,
BROWN PRINTING CO.

Per A. C. Hahn, Pres.

Maryville, Mo., Nov. 29, 1912

J. R. Pfander, Secretary,
National Duroc-Jersey Record Association,
Peoria, Ill.

Dear Sir:—Replying to yours of the 27th, we will publish your record according to your specifications for $2.40 per page. Without extra charge we can give you hand sewed binding, leather back, (but not leather corners) and the same paper used in the Standard Poland China Record. This paper would ordinarily cost about $50.00 more per volume than the stock used in your book, but we have a large contract on this stock, for the Standard and other book work, which enables us to put it in without extra expense to us.

Tear up the Standard book we are sending you, and tear up one of yours and you will readily see the great superiority of hand work over the machine product.

A special contract with the binder is what enables us to give you the advantage of leather back. Can give you this either in red or black. Also will color the edges of the book if you so desire, without extra charge.

Having had considerable experience in handling hog pedigrees we feel that we can produce a book with fewer errors than any printer who has never handled that particular line of work.

Do you know that the prepaid express rate on books is two cents less than postage rate? Again we will be glad to make a flat discount of $25.00 on each volume for permission to mail the list direct from our bindery at Moberly, instead of sending them to the Peoria office.

For reference, I will be glad to have you telephone Moore Bros. Lightning Rod Co., of your City. We do all the printing for that concern.

Respectfully,
Maryville Advertising Company,
W. H. Gilbert.

N. B. I neglected to mention that we wrap the books first in a straw board protector, and cover that with manila wrapping paper. The Book received from you was pretty badly wrecked in the mails.

Columbia, Mo., Nov. 14, 1912

Mr. J. R. Pfander, Peoria, Ill.
Dear Sir:—

In answer to yours of the 10th, we will print and bind 1,000 copies of each volume of your herd books, as per your specifications for $2.00 per page. We have made a speciality of this class of work for the past fifteen or twenty years, and we feel satisfied that we can give you better service than you can get anywhere.

Very truly,
